

CATHEDRAL SCHOOL

Classic Catholic Education Since 1864

March 24, 2009

Dear Parents, Grandparents and third-Party Tuition Payers,

As we prepare to celebrate the 145th Anniversary of Cathedral School, we are ever so mindful of the generosity of the Parishioners of the Portland Peninsula and Casco Bay Island Parishes, and the continued support of alumni and generous supporters of Cathedral School. The kindness of these people empowers us to extend the enclosed Tuition Contract for School Year 2009 – 2010 to you and your family!

As you know, this year we are unable to accept any new families needing tuition assistance into the school. We are, however, most grateful that we are able to continue our ministry to the families who are already members of our “Cathedral School Family!”

Hopefully, you will choose to sign this contract and register / re-register your child or children at Cathedral School. Please note that our school now uses the FACTS tuition payment program. FACTS is a secure automatic debit payment plan through your bank. Visit the FACTS website for more information: www.factsmgt.com.

Be assured of a daily remembrance in our thoughts and prayers as we observe our 145th Anniversary!

Prayerfully in The Trinity,

Sister Theresa Rand
Principal

Fr. Lou Phillips
Rector
